

Ghazal Yoonesi

About Me

As a UX/UI enthusiast with a background in language education, photography, and sales, I am advancing my skills in UX/UI design through education with Career Foundry. With experience in customer-facing roles, including seller, teaching and photography, I excel at delivering impactful solutions to clients and users.

Job Experience

- From 09/2022 Seller - Bakery Lange, *Paderborn*
- Managing the entire branch effectively during peak times.
 - Acknowledged and welcomed clients, overseeing daily operations.
 - Fostered the branch with 7 tables accommodating up to 20 customers, ensuring timely service and consistently greeting customers with a smile.
- 01/2021-12/2021 Self employed Photographer (Realstate), *LemonOne*
- Capturing appealing house photos for LemonOne's real estate listings.
 - Applied photography expertise and editing skills to highlight property features effectively.
 - Enhanced listing attractiveness, attracting more buyers and boosting LemonOne's reputation for top-tier visual content in real estate.
- 09/2017-03/2018 English Teacher for children, *Iran Mehr Institute*, Tehran, Iran
- Teaching English to 30 primary school students of varying proficiency.
 - Used fluent English and interactive teaching methods (games, storytelling) with enthusiasm.
 - Increased student engagement, higher test scores, and positive feedback, fostering improved English skills and a supportive classroom atmosphere.

Education

- From 03/2023 UX/UI, *Career Foundry*, Berlin - online
- 06/2019-03/2022 Deutsch Intensiv Kurse (DSH), *Paderborn University*
